

Entry for: Agency of the Year (headcount under 30)

Entering company/companies *

Using no more than 800 words describe how your agency has performed above and beyond in the field of healthcare during 2023/2024 covering the following points: *

- relevant achievements such as specific campaigns/projects/pitch wins/awards (the work)*
- details of your culture, diversity and working environment as well as any evidence of how you've managed the business in the difficult climate of the past few years (the agency model)
- any recognition from the agency/in-house team/client feedback on your achievements, attitude and culture (the feedback)
- a brief explanation as to why you are different and why your agency should win – this award recognises how small, independent agencies provide something different to the larger groups whilst helping advance standards within healthcare communications (the summary)
